

Minutes of IC Team Meeting Saturday 11th February 10:00AM AEDT

Present – Andrew, Fawaz, Troy, Chris & Sasha.

Apologies – None

Progress Reports

Chris – First drafts prepared – Andrew to review and give feedback

Re-assessment of actual scope of Assessment 3/5 – able to deliver less than we thought was required

Andrew – UI progressing well

Sasha – Shifting focus to UML and flowcharts for future dev team

- website changes – site map and side-nav

Troy – feedback review – Many minor points in Reports

- Better use of inline referencing – but reports gain no marks in Rubric – so not a focus fixing this

GitHub – Access issue – Sasha to fix directly after meeting

Forward planning section – Fawaz to pass to Troy for further review

Next Meeting – Wednesday 15th Feb 6:30PM AEDT
