

Minutes of IC Team Meeting Wednesday 15th February 6:30PM

AEDT

Present – Andrew, Fawaz, Troy, Chris & Sasha.

Apologies – None

Andrew / Sasha on flowcharts – Andrew to sync up the models

Aim to be ready to start recording video by Saturday – we are under the hammer on this one –
Actively stay in touch on teams in the hope we can be ready to discuss this on Saturday

Clarification of required content as per rubric – provisionally – leave stuff from A2 in but only make changes on parts that are in the rubric

Chris and Troy – making good progress on aims and motivations

Confirmed – GitHub now fully accessible

Andrew – UI progress – doing a walkthrough version rather than a fully cross-linked one – much easier to complete in the time

Next Meeting – Saturday 18th Feb 10:00AM AEDT
