Minutes of IC Team Meeting Thursday 26th January 6:30PM AEDT

Present – Fawaz, Andrew, Chris & Sasha.

Apologies – Troy

Chris – Storyboard due by 5/2 – Sasha to do.

Are SparkPlus submissions in for Assessment 2? Andrew to finish – all others done

Assessment 3 components:
Team name, profiles and personal info – no changes needed unless the feedback proves otherwise
Group processes – What did we learn from Assessment 2 we can apply to assessment 3/5
       - using txt files for our component submissions – word creates a lot of work htmlifying it
Career plans – compare and contrast
Tools – will need expanding as the scope is wider – also video presentation required
Project – major expansion here
         - plus job roles
         - forward planning / timeline – Fawaz to explore
         - Overview, Aims, Goals – Chris to do
         - UI design – Andrew to do
         - Scope and functionality – Sasha to do
New Github fork – Andrew to do
Fawaz – apologies for next meeting

Next Meeting – Saturday 28th 10:00AM AEDT
